### School Volunteers

If you have been in the school lately, you may see some new faces. We are so pleased to have a number of French Immersion High School Students join us on a weekly basis, volunteering in our classrooms. What a treat to have former Davidson students come back to give back to the school community. If you are interested in volunteering at the school, we would love to have you. Please contact the your child's homeroom teacher or the office for volunteering opportunities.

### One School – One Book

This January, we will launch our fourth One School One Book event. The books have arrived at school and have been labelled. This very special book will be unveiled at a very special assembly on Monday, January 23<sup>rd</sup> at 9:00 a.m. We're not giving anything away yet. You'll have to wait until the assembly to see the title.

At the assembly, one book will be provided to each family as a gift and we ask that parents read to their children according to a four week schedule that will be sent home. During this 4 week period, there will be school wide activities to support the book and teachers may also choose to add in supplementary activities as well. Happy Reading!
