Agenda and fieldtrip fees will be available online, after October 8th, through [School Cash Online](#). If you have an account from previous years, you are set to go. If you are new to this system, you will need your child's ASN number which can be found on the student's last report card (from any school in Alberta) or by calling the school office. Lethbridge School District schools are cashless and therefore all payments must go through this site. Thank you for taking care of this as soon as possible.
