October 4 February 14 June 13

November 8 March 14

December 13 April 9

January 10 May 9

6) Reports

a) Principal Report(Terra Leggat)

School supplies provided differently this year. Supplies were done in a “community grouping” of supplies at a cost to parents. Should be a much smoother access for students and will provide a fair and decent quality of supplies for each student and a better distribution of resources.

August the teachers received some great professional learning activities for the new curriculum.

Alberta education mandatory assessments for children grade 1-3 for literacy and numeracy.

Results will be used to create the “norms for Alberta” **Please fill out your consent forms that were sent out so Agnes Davidson can be a part of the research project.**

School busing with Southland has been running on time and so far so good.

b) Vince Principal Report (Megan Cummings)

Staggered entry seems to be a much smoother transition for students and families. Meet the teacher night was well attended and it was great for families to be able to see the school and teachers.

We have started collecting toonies for terry with grade 5s helping collect donations and helping be leaders in the school. Grade level assemblies to be coming back which is very exciting for

students. Dates for upcoming assemblies or school activities are up on the website but also available with School guide App.

c) Staff Rep Report (Stuart Nish)

National day for truth and reconciliation sept 30. No school. We will be wearing orange shirts on Sept 29th and decorating a orange rock garden with lessons about what the day means. We will be doing a water donation drive for SAGE clan and will be looking for donations of flats of bottled water. Gymnastics to start off for physical activity. Picture day is October 3rd for grades 1-3.

d) District School Council

Nothing to report

e) Alberta School Council Association

Nothing to report

f) Trustee (Kristina Larkin)

Opportunity to meet our school board trustee member who presented a brief introduction on their role with Agnes Davidson and the things that she can help provide and assist with. If you have any questions for her don't hesitate to reach out to her.

7) Old Business

8) New Business

-Terry Fox Run

Terry Fox run will be Friday September 16 . Walking will be between 9 and 10am with Oranges to be provided for each student when they finish their walk.

Next Meeting: October 4th.
