met yesterday For spring conference for asca. Some discussion around technology and how we deal with old tech/recycling and or selling. Man power is part of it, clearing hard drives. Evergreening process. Terra and Megan are happy to ask about it if anyone wants to know.

Assurance survey went out, 900 replies. Report in october. (grade 4 reports). Reports will be attached to email and forwarded.

e. Alberta School Council Association (ASCA) - 0 min

f. Trustee - 0 min

5. Old Business – 2 min

a. French Classes going forward (Tyler) - 2 min

No go. Not enough people. Steeper requirements so that makes it more difficult. We had opened it at St Mary's but still not enough interest. Hoping to have ads out in June and figure it out for the fall. Next meeting to have discussion and money we need to spend.

Regarding the playground: Tyler thought we'd get more info in the spring but it feels like we have a plan? Daniel, head of facilities, will come assess now that the snow is gone. Dominoes is a fairly easy fundraiser. Just start saving money. Timeline: we get options, fundraiser, likely for quite some time. What we decide to get and how hard we fundraise. Rubber is very expensive. Wood chips, pea gravel. Pros and cons for all of it. We will need to decide after report. Old playground is near the end of its life. don't necessarily need to happen at the same time. We will set up a committee over several years to deal with playground at future meeting. Megan will check when daniel can come

6. New Business – 15 min

a. Playground Fundraising Plan (Tyler) - 15 min as discussed above.
