1. Approval of the Agenda – 1 min Approved by Christy seconded by Robin
2. Approval of minutes from Mar 11, 2025 – 1 min Approved by Tyler and seconded by Robin
3. Reports – 1 min
 - a. Treasurer - 1 min : Report sent by Andrea, read by Tyler. Terra had questions for Andrea on how finances are recorded on the council end. Andrea wants confirmation she is doing it correctly. They are speaking in emails. Tyler showed Megan how it's being recorded so everyone is on the same page. Megan will share it with Terra. Trying to reduce the number of fundraisers over the last two years so it feels less “in your face”. \$21000 in the chequing account. \$15600 in the savings account. \$600 acquired in interest \$15000 was deposited two years ago. Little under \$55000 in total. Mural was paid for last month. LOTG is still doing ok (Christy asked if it's still doing ok).

4. Fundraising Committees – 5 min
 - a. Playground Committee - 5 min. tabled until next meeting.
5. Old Business – 0 min
 - a. N/A
6. New Business – 5 min
 - a. ASCA Grant - French Resources? - 5 min. Little luck with attracting lots of people to the in person french class even with inviting St Mary's families. Class was cancelled as a result. Price seems to not be a factor. Beneficial if it was out faster? More proactive in advertising? Tyler contacted several programs that help teach french language. He heard back from a company called Ouino. This is a Canadian company that teaches french through online programming. It is a Canadian company, with lifetime memberships. Discussed having a hard copy library of french books but perhaps this is

a better option. \$15 an account if we are purchasing the 100 so \$1500 for 100 accounts. Third party reviews seem positive. Phone app or desk top. 100 ppl could access but we are unlikely to have 100 ppl at one time. Linked to a family but then give it back? Trial before purchase? Feels more accessible. If we spent 500 what could we get? First user is the admin person; the french chair would own the admin account. Could we ask the staff to look at it? Ask people to try it? Present at the next council meeting. Tyler to ask for less of a discount and less spaces is possible. See what we could have for 500 (no discount 500 is 5 accounts). Have the ppl who expressed interest in person classes if they would like try it. Make decision at next meeting with all info collected.
